

To Reach Dept. CS, U Tokyo

1. By Train & Bus

- First you get to Ochanomizu (御茶ノ水) Station, JR Chuo Line (中央線). Stop trains are yellow; rapid ones are orange.
 - No idea how to get there? <http://www.jorudan.co.jp/english/norikae/>
 - If you've taken the Marunouchi line (丸ノ内線) to Ochanomizu Station: see the map below
- JR Ochanomizu Station has two exits; you take Hijiribashi exit (聖橋口)
 - It looks like this

- You look around and find a bridge. On the bridge there is a bus stop; any bus from

the

stop is for U Tokyo.

- The map around Ochanomizu Station
- Just in case, ask around showing the following:
 - 東京大学に行くのですが、このバスで合ってますか？
 - “I’m going to U Tokyo; is this the right bus?”
- The bus says “学07 東大構内”
- The bus takes you deep into the campus. Get off at the last step (just before a bus rotary), “Todai Konai (東大構内)”. Around 5-10 min bus trip.
- You find a campus map. Our building is “School of Science Bldg. No. 7” or “Faculty of Science Bldg. No. 7”
 - It’s in fact next to the bus stop. Brick-covered, 7 floors tall.

- We (Group MMM, aka. Hasuo-Lab.) are on the 4th floor!!

2. If you're arriving at Tokyo Narita Airport

By train and taxi

- At Narita Airport train station, you take “Keisei Skyliner 京成スカイライナー” to “Keisei-Ueno 京成上野.”
 - Don't take a JR train (that's a different train operator)
- Then you take a taxi and go straight to U. Tokyo. Show this to the driver:
 - 東大病院まで行って、その先のロータリーで下ろしてください。
 - “Go to the Univ. Tokyo hospital (a common cab destination), and further to a bus rotary.”
 - The fare is around JPY 1,000, 10 min drive.

- We (Group MMM, aka. Hasuo-Lab.) are on the 4th floor, of Faculty of Science Bldg. 7!!

3. If you're arriving at Tokyo Haneda Airport

By train and taxi

- Take a train to Ueno (上野) Station. Two options (below): no much difference in fares and time; I prefer the latter because of a nice view.
 - Haneda 羽田 == (Keikyu Line 京急) ==>
Shinagawa 品川 == (Yamanote Line or Keihintohoku Line 山手線, 京浜東北線) ==>
Ueno 上野
 - Haneda 羽田 == (Tokyo Monorail 東京モノレール) ==>
Hamamatsucho 浜松町
== (Yamanote Line or Keihintohoku Line 山手線, 京浜東北線) ==>
Ueno 上野
- At Ueno station you take a taxi and go straight to U. Tokyo. Show this to the driver:
 - 東大病院まで行って、その先のロータリーで下ろしてください。
 - “Go to the Univ. Tokyo hospital (a common cab destination), and further to a bus rotary.”
 - The fare is around JPY 1,000, 10 min drive.
